

A Note From the Master Chef!

Another month down and we are cooking with gas! I am so excited for what this summer holds for us. As we get to preparing for Riverfest and all the other fun things July has in store for us I am proud of those stepping up and chairing events and taking charge! We may be looking at new ways to cook up some recipes that have been passed down, but I think that the end result will be perfection! I am also humbled by the way our chapter bands together to lend support and prayers to those members

"I am also humbled by the way our chapter bands together ..."

who need it. It is a reminder that the reason we join an organization is to not only grow on a personal level, but to have that support system of amazing women that lift us up when we are down. I think that it will never cease to amaze me how different people from varying faiths and lifestyles can lend their own special blend of spices to mix together and create something special.

Live. Laugh. Bake.

Priority Project

This is the last year that Isaac's Journey will be the priority project. The two organizations we are considering for the next priority project are Shriners Hospitals and Breaking Free. These two organizations will be researched and presented to our chapter at a future general meeting. At Annual Convention next May a vote will be taken to determine which one will be the next priority project. Both are important and worthy, yet very different. Thank you to Sara Wiitala and Rose Goettl for volunteering to do the research and presentation for us.

Final Report - Flyer's Concession Stand—Pam B

On Saturday, May 24, we held our first Flyer's Concession Stand for the year at the Grassfield RC Club in Brooklyn Park. Those volunteering were Arlis Theilke, Pam Peterson, Rylee Peterson, Cat Shuman, Cassie Carlson and Pam Broekemeier. We arrived around 10am and set up. At about 11am we started grilling and were ready for lunch. The weather was perfect, and the first nice weekend of the summer. We all had a nice time watching the airplanes fly in between serving, chatting with the guys and socializing amongst ourselves. We made \$228 plus \$31 in tips, equaling \$259. Minus expenses of \$142.33, the total income was \$116.67. I would like to thank John Carlson for donating the buns and all those who volunteered.
