

President Cat

Hello Members & Friends!

Well, we are off on our new adventure “Cultivating Our Future.”

Thanks to everyone who attended the first meeting of the new year and voted to approve our Future Glance and Budget. A very special welcome to Julie Marchand and Lisa Waterworth who have transferred to our chapter from St. Cloud. They both reside in Big Lake. And thanks to Lisa for taking the Living & Learning LPM position.

Thank you to Kayla for hosting the Lucky Buck for June. We raised \$90 for Breaking Free – way to go!! And congrats to Arlis for winning the nice basket with a blanket that Kayla made. Thanks to meeting greeter, Nancy; and hostesses, Jennifer LK, Kay, and Krisie. Thank you, Michelle and Trina, for the invocation and benediction.

Wow, we have some great projects coming up. A special thanks to all those who stepped forward to chair upcoming projects: Red Carpet Gala (Ille & Michelle), Riverfest Ambassadors for parade water (Trina & Torrey), Farmer’s Market Booth (Sara R, Trina, Lisa, Torrey, Cat), and MHS Scholarship (Michelle, Ille, Trina, Kayla, Mercy).

Lots of good things going on: We raised \$40.91 from the Coins for a Cause well and \$11 from Breaking Free card sales. We are going out for bids for chapter shirts – thanks to Ille, Sharon, Rose, and Nancy for working on that.

Thanks to Michelle and Mercy for bringing us information on the Mental Health Community Involvement program to encourage well-being in our school youth. A ‘shout out’ to Torrey for promoting healthy habits under Women’s Wellness.

There was lots of laughing and memories made while attending state convention in Mankato May 20-22. Those attending were: Cathy, Ille, Trina, Sarah S, Sara R, Dawn & Nancy. We had two first timers Trina and Nancy, and we made sure to show them the secrets of convention (those who have not gone yet you are missing out). The weekend was action packed between celebrating 3rd trimester and year end achievements.

Socials-

These are events that are planned for members only. Bonfires, BBQ's, weekend trips, dinner out together, Member/Partner Appreciation, etc.

We have such fun together!

M-Events-

These are events that are planned so we can invite the public to get to know who Women of Today is!

Advertising is essential to letting the public know about the event. There may be ladies who are interested in who we are but jumping into a general meeting can be overwhelming. An M-Event is a relaxed, fun way for them to learn more about us.

The following members are up for renewal for 1st Trimester.

Please submit your renewal dues to Nancy or Glorie as soon as possible. We need your payment no later than the July general meeting to allow us time to meet the Early Bird Renewal deadline.

Melanie, Barb B., Pam B., Caitlyn, Torrey, Linda, Maribel, **Lauren**,

Bonita, Kayla, **Sara R.**, Kay, and Lori.

(Names in **Green** have paid their dues, THANK YOU!)

Co-chairs Glorie and Nancy will meet with Cat on June 16th, to set goals and coordinate ideas & dates. We plan to hold at least one M-Event and one Social per trimester. We have some fun things in mind for this year and are anxious to get started.

Caribou Coffee Social will be Saturday, June 18th at 10 AM at the Caribou by Target.

Growing by the Minutes: Michelle

This is a big thank you to those who emailed reports to me before the meeting or submitted them on the NEW forms at the meeting. It is a tremendous help when it comes time to recording the minutes. With so much information, and my distractibility, I need all the help I can get.

EXTERNAL PROGRAMMING

Hygiene Products

Kayla will be collecting at July and August meetings to be donated at Fall Convention (in place of food shelf bags).

Cancer Center Healing Garden

A partnership between Centra Care Cancer Center, Connect-5 Transition Program, and the Monticello Women of Today has evolved to beautify the Cancer Center Healing Garden.

Members of each organization have come together to plant and weed the garden and plan to maintain it throughout the summer months. On May 23rd, annuals and perennials were planted with the assistance of Centra Care employee, Jewell Zwack. She and Eureka Sorenson, who also works for Centra Care, were instrumental in developing the partnership and provide the flowers and plants through various donations. They hope the awareness of the garden will offer a place to visit, not only for patients and their families, but also for area residents. Those partaking in the planting included Women of Today members, Maribel Cruz-Longley, Kayla Kleinsteuber, and Michelle Kocak Jones. Connect 5 volunteers included students, Aaron, Zach, Katie, and Tanner and staff members Toney Thiels and Renee Schneider.

EXTERNAL PROGRAMMING

Breaking Free

This is our 3 year Priority Project. I am looking forward to adding some fun things in the newsletter, pertaining to this area! For now here is a bit about what Breaking Free is....

Breaking Free was established in October 1996, by Vednita Carter, Founder and President, as a non-profit organization serving women involved in systems of abuse, exploitation, and prostitution/sex trafficking.

ALL NIGHT GRAD PARTY

Watch for a newsletter article about the All Night Grad Party next month!

Kid's Kitchen

This project is one we do with other community groups. Bags of dry and refrigerated foods are packed up and distribute to families with school age kids in the community. It runs through the summer, and is a very fulfilling project to be a part of. Contact Michelle if you would like to find out more about helping.

DIVERDFEST

Dance Concessions

A signup sheet went around at the meeting. A couple notes about this, only current members are allowed to collect money, so cash box jobs should be filled by members only. Family members are welcome and encouraged to help. Children need to be 12 years of age or older to volunteer. 24-28 people are needed to help at this event. Please consider volunteering, it is a LOT of fun; friends, food, and music!

INTERNAL PROGRAMMING

Sarah S. - 7

Danielle - 12

Please take
some time to

website!

Lucky Buck

Congratulations to Arlis for winning the June Lucky Buck! \$90 was raised to go toward making tie blankets for Breaking Free at the August social.

Tentatively scheduled for August 10th, 6:30 at Kayla's house.

Records and Recognition

Records and Recognition - aka R&R - is an area used to help our chapter keep track of our past projects and recognitions received. These records are useful for three main purposes:

- 1 - When we want to repeat a project, we can go back into the files to get a written report on how the project was completed. This saves time and energy by not having to start from ground zero in our planning. It can give us important information like what worked and what didn't. Costs, time commitment and the number of members needed to complete a project.
- 2 - When we want to come up with an idea for a project, we can go back into the files and look for ideas. Sometimes, projects that haven't been done in a while are fun to resurrect and they feel new again.
- 3 - When writing up members and projects for recognition/awards, R&R files are invaluable in providing needed information.

So please take the time to complete the Final Project Report Forms after every project. The more details you can include, the better!! Also - when you get a chance, take the time to look through the R&R crate. It is an excellent source of ideas!!

PEP Course

Due to life outside of Women of Today, the Pams will be postponing the “Taking a Step Outside Your Door” Personal Enrichment Program. A new date has not been set yet, so keep your eyes and ears open for new details. You will not want to miss this final session of our Herbs Health and You series.—Pam P.

Thank you everyone for your patience as I work on getting the third pep course in a series of three, which are all focused on herbs/plants in some way. I have a lot of ideas in my head of what I want it to be and am working on getting it set up. I will have it ready before the first trimester ends and am very excited to share it with you all.—Pam B.

WATCH FOR A NEW DATE! For the PEP Course!

THE VIEW

At the April general meeting, Cindy handed out copies of "Still Alice" to members. It's a very moving story of a women with early-onset Alzheimer's Disease. We're hoping to schedule the book discussion for the last week in May because our schedules have been too busy. At that time, we'll schedule our next View. (It was a very good book. If you're interested in reading it, you still have time before the discussion group session!)
