Dear Members of the Monticello Women of Today.

Thank you for the opportunity to serve as your president. My Theme is Friendship Multiplied Through Fellowship. After a crazy year of the pandemic, zoom meeting and staying home, I feel we all need some joy and to hop back into serving and fellowship, through that our friendships will improve.

I joined in January 2017 because I was looking for a way to get more involved in my community and volunteering. I have been involved in other organizations through the years, mainly ones my kids were in. They were older and the opportunities were not there any more. I had also just changed jobs and was no longer working nights and weekends.

As I have attended meeting at the chapter, district and state levels I have learned a lot, met wonderful ladies and enjoyed myself. I love all the ways Women of Today helps our communities and state.

I look forward to getting back to in person meetings, volunteering and coming up with new and creative ways to help our community and multiplying our friendships! Please consider what your part in making this year a successful year will be because no one can do it alone and I would appreciate your help!

Sincerely,
Connie Fink

Women

A group of women journeyed to the same place and time,
Yet each woman journeyed to her own place and time.

We were over 18 and under 60. Size 8 to size 44; XSM to XXL.
Tall, medium, short; slim, lush, round.

We were gentle, kind, sarcastic, nurturing, judgmental, weak, strong,
happy, sad, uptight, loose, joyful, sorrowful, wondering, wondrous, wonderful.

We were strangers, acquaintances, friends old and new, buddies,
comrades, adversaries, partners in crime, playmates.

We were all these things, yet, so much more.

For, in a beautiful place, in a magical space, for a time. . .

We sought understanding and were understood.
We searched for peace and became peaceful.

We needed support and were supported
We yearned for healing and were healed. We laughed together and cried together.
We prayed together and played together.

We forged a bond not only of our gender but of our humanity.
Alone, or in a group as one; All things were possible.

No one was untouched by this experience,
And no one will ever be quite the same.

For in a beautiful place, in a magical space, for a time. . . .

WE WERE MAGNIFICENT WOMEN.

And forever my friend*

2021-2022 *Why You Are Special!*

You are unique, there is not a single person anywhere exactly like you.

You have beauty, the kind that exists within. The kind that really matters.

You are loved and cared about – no matter what your faults or shortcomings.

You have capabilities and talents. You have to find out what they are.

You have the power to control your future and to reach those dreams you have.

You have intelligence and personality, direct those to be positive.

You give so that others may heal or not do without.

You take risks and dare to improve.

You are trustworthy, worthy of my trust.

You are sensitive and caring with a heart of gold. Your feelings matter.

Your benevolence is felt by those who need you. They believe in you.

You have a sense of humor. Your laughter is contagious.

You have courage to face the future and all it holds.

Written by Adrienne McCown and dedicated to the memory of Cheryl L. Anderson.

(Cheryl Anderson died of cancer some years ago.

Minnesota Women of Today established a scholarship in her honor.)

Growth Plan

I. **Set your goals:** How many members would you like your chapter to have at the end of the year?
Write that number here. 50 (This should match the third trimester goal)

II. **Where are you starting from?**

1. Write down your May Base. 46
2. Look at your district roster or Activation/Retention Checklist. Count up the number of members due each trimester and write those numbers below.

Due Tri 1 9 Due Tri 2 16 Due Tri 3 21

3. Now look at the names. Count up how many you know will renew.

Renew Tri 1 6 Renew Tri 2 14 Renew Tri 3 19

4. Total the Renew Trimester numbers. 39

III. **Look at the impact of renewals on your goal.**

1. Subtract the Renew Trimester Total from your Goal. 11
This is how many new members your district will need to meet your goal. You can lower this number if you renew (reactivate) more of your current members.
2. Estimate when you will get those new members. Spread them out over the 3 trimesters. (note: NMA = new member add)

NMAs Tri 1 2 NMAs Tri 2 4 NMAs Tri 3 5

IV. **Set some trimester goals** – check your progress every trimester!

| First Trimester | |

Girls Just Want to Have Fun

District 5 Women of Today.

Thank you for giving me the opportunity to be your District Director. I hope I can be helpful to you and give you the support you need. I know I do not have all the answers but I will find the right person to ask. I will always listen to you.

When doing a new role for Women of Today, I feel that I get more than I give. The Women of Today always uplift and teach each other no matter the role they play. Each role we take on has challenges and rewards. I always look back on a Women of Today year and think WOW, we did that!

I have had fun getting to know some of you by being a member of the Monticello Women of Today. I also got to meet more of you by being a SPM (State Program Manager) the last 2 years. I am so excited to be able to visit you and participate in some of your activities as District Director. I have to admit I took on this role to have fun! After 2020 I felt we all just want to have fun. So let's do it!

Sincerely,
Glorie Balfanz

State Information

Greetings MNWT District Directors,

It is an honor to represent each of you as the 72nd President of the Minnesota Women of Today. My staff and I are here to support and guide you, your local chapters and district.

Sometimes I think, “Where am I going to find the time”. I have a house, job, family, activities and a whole list of other things that need my attention. If we all take a step back from the rushing around and find our purpose, we can give an hour or two each month. Our accomplishments can be endless. Our reach can go further. We can make a difference in the community that surrounds us. Together we have the power to show our local communities Something Wonderful.

My challenge for each of our members is to set aside a few hours a month, every month to reach out and give their time to a local project, social, or an event.

Throughout this year your chapters and district will host fundraising projects. These are the projects that support your communities throughout the year. These are the projects that allow your chapters the largest reach in the local community. They allow us to do what we do and give what we give. **My hope** for this year is that each member picks at least two of these projects to donate time and talents to over the next year.

Take time to socialize. Some may only be interested in a book club, or craft nights and that’s ok. Others may prefer a ladies’ night out, or happy hours. There is something for everyone. If a member does not see a social on the calendar that interests them, encourage them reach out to their local and district boards and suggest something new.

Take time to give. Some of us find it easier to write a check, while others enjoy more hands on activities. Our organization is amazing because there are so many opportunities for us to help and so many ways to do it. Whether your members participate in one or two activities a trimester or every activity, we are happy to have each of them as a member.

Take time to learn and share knowledge. Encourage all members to chair an event, taking on a chapter board or local programming manager position, hosting a meeting, completing certifications, or mentoring a new member. Your efforts are what makes the Minnesota Women of Today so successful.

I encourage all members to be as active as they are able. Some members may only have a few hours a month or every other month; others will chair projects, host meetings and attend several events a month. During this year, **my wish** is that each member makes a difference in the lives of the many people around them by building a better self, developing confidence, close friendships with other members, and contributing to our communities through the act of volunteering and fellowship.

I have one last request for each of you. Set aside time each month for just you, to selflessly **invest in yourself**. Take a class, go shopping, read a book, or get your hair done. Make time for yourself, because **you are Something Wonderful**.

In friendship,
Anna Nichols
