**PENALTY** — Operators who do not have Form ST19 or a similar written document from sellers can be fined a penalty of \$100 for each seller that is not in compliance for each day of the selling event.

# SALES TAX INFORMATION FOR SELLERS

Operators/organizers of craft, antique, coin, stamp or comic book shows; flea markets; convention exhibit areas; or similar events are required by Minnesota law to get written evidence that persons who do business at the show or event have a valid Minnesota tax ID number.

If a seller is not required to have a Minnesota tax ID number, the seller must give the operator a written statement that items offered for sale are not subject to sales tax.

All operators (including operators of community sponsored events and nonprofit organizations) must obtain written evidence from sellers.

Certain individual sellers are not required to register to collect sales tax if they qualify for the isolated and occasional sales exemption. To qualify, all the following conditions must be met:

- The seller participates in only one event per calendar year that lasts no more than three days;
- The seller makes sales of \$500 or less during the calendar year; and
- The seller provides a written statement to that effect, and includes the seller's name, address and telephone number.

This isolated and occasional sales provision applies to individuals only. It does not apply to businesses.

## **Sales Tax Registration**

To register for a Minnesota tax ID number, call the Department of Revenue at 651-282-5225.

A registration application (Form ABR) is also available on their website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us).

## **Information and Assistance**

If you have questions or want fact sheets on specific sales tax topics, call 651-296-6181.

Most sales tax forms and fact sheets are also available on our website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us).

For information related to sellers and event operators, see Fact Sheet #148, *Selling Event Exhibitors and Operators*.

We'll provide information in other formats upon request to persons with disabilities.

Please note that each vendor must provide their Sales Tax ID, unless you meet the criteria for exemption from collecting sales tax. (see sidebar to left)

If you are not exempt and do not provide a copy of your sales tax certificate or complete the ST-19 form with your sales tax number, your registration will be considered incomplete until you provide that information. (We will contact you if there are any questions about your sales tax ID.)
